

Sesame Street Live

Sesame Street Live roars into Louisville again, with yet another fantastic production at the Brown Theatre![]

"Elmo's Super Heroes" is a fun, energetic experience that puts families right in the middle of the action on Sesame Street.[] This interactive sensation finds Big Bird, Elmo, Abby, and all of their furry friends on an adventure to help Grover find his lost "super-ness".[]

Children are entertained through countless musical numbers that have them on their feet and spilling out into the aisles.[] In a way that Sesame Street has mastered, they are reminded how exercise, rest, hygiene, and good foods are the key to everyone being their very own super hero!
