

Crime and Punishment

The Murder Mystery Company

By [Angela Ash](#)

Go back in time to the 1920s, set in the world belonging to the gangsters and bootleggers. Expect plenty of comedy, murder, and mobster behavior in this popular show, as you attempt to locate clues that could ultimately solve the crime!

This production by the Murder Mystery Company is a roaring good time! Hosted at the Old Spaghetti Factory in Fairfield, Ohio, you will receive three delicious courses in between your investigative time... with salad, your choice of tasty pasta, and ice cream.

However, be prepared to get to work after each course, because clues can be found just about anywhere! Patrons are divided into teams by table, and this interactive experience will require you to work together to find out who did it and why! Armed with a note sheet and money for bribes, you will canvass the room, asking questions of just about everyone. By the end of the night, you will have made some new friends, while coming to the

realization that your dusty deductive reasoning skills are probably a little better than you thought!
