

Spirit of Baltimore

By [Angela Ash](#)

If you are looking for an alternative to the typical dinner out, then the city of Baltimore will not disappoint! Spirit Cruises offers a night of ultimate luxury, a delectable dinner, dancing, and absolutely spectacular views of the Inner Harbor. Sound like a plan?

Offering sightseeing, lunch, dinner, holiday, and special occasions cruises, Spirit Cruises offers an exceptional experience that you must, well... "experience" to believe it!

With delicious, bountiful buffets, all of your favorite dishes await, and, with the "all you can eat" variety, you will never disembark hungry. And if you are in the mood for a glass of wine or expertly crafted cocktails, the bar will offer libations that will have you ready for the dance floor!

If dancing isn't on the agenda, the top deck awaits, full of comfortable seating and an uninhibited view of the gorgeous night sky. You can listen to soothing music, as you coast along the harbor.

Whether it be a special occasion, a sightseeing spectacular, or a romantic full moon dinner, Spirit Cruises has just the sailing for you!
